

The World is at Your Fingertips

What is Global BeneFITs?

Simply stated, Global BeneFITs is a one-stop booking portal that provides you access to over 5,000 IHG hotels across the globe with net rates sourced directly from IHG. Our online booking tool is designed to give you instant access to reservations, modifications, cancellations and your booking activity, all in real-time. What's more, you'll automatically be able to book our newest IHG hotels and receive competitive leisure rates, all while booking 'direct' from IHG's rate and availability database.

You'll embrace the Global BeneFITs.

The Global BeneFITs program was created for smaller agencies to be more competitive and to put you in control. The new way of working shifts from the manual, time-consuming, tedious tasks to working and booking directly with the supplier. Best of all, you now have access to IHG's global portfolio of hotel inventory previously not available to your agency – enabling you to compete and book reservations anywhere. The headaches and old ways of working are things of the past. With Global BeneFITs, the world is at your fingertips and availability database.
